Sadhana Devi Vidyapith

04/2018 - 04/2019

Samastipur

Marks:

- 68.8%

## WORK EXPERIENCE

### Web Development Intern

Bharat Intern

08/2023 - 10/2023

Virtual Internship

The objective of Bharat Intern is to empower the next generation of tech leaders. The internship program they offer provides hands-on experience across various fields.

Tasks:

- In this internship, I had three tasks options, and I needed to choose any two.
- I opted for the tasks involving the creation of a portfolio website and the development of a temperature converter.
- Both tasks completed within the given timeframe.
